HEU Hydraulic Expansion Unit
HPU Hydraulic Power Unit Technology
HRU Hydraulic Rescue Unit

MODULAR VALVE SYSTEM

CONSTRUCTION AND EARTH MOVING

- ▶ Powering electric tools, welding on site
- ▶ Backup power and power in service vehicles
- ▶ Washing and sand blasting
- ▶ Dust suppression
- ▶ Using pneumatic tools
- ▶ Cleaning, releasing truck brakes
- ▶ Cleaning, moving and collecting metals
- ▶ Piling and compacting
- ▶ Cutting and earth penetration
- ▶ Cable and pipe installations

DEMOLITION AND RECYCLING

- ▶ Powering electric tools, backup power, welding
- ▶ Dust suppression in demolition work
- ▶ Washing recycling stations and all machines
- ▶ Water and abrasive cutting
- ▶ Using pneumatic drills and hammers
- ▶ Cleaning and air flushing
- ▶ Metal handling, sorting and recycling
- ▶ Removing train tracks and collecting metal
- ▶ Power boosting for demolition tools
- ▶ Hydraulic installation on vehicles

DRILLING, MINING AND QUARRYING

- ▶ Powering electric tools, backup power, welding
- ▶ Washing, flushing and dust suppression
- ▶ Hydro scaling and demolition
- ▶ Using pneumatic tools
- ▶ Air Flushing, ATEX-applications
- ▶ Power boosting for hydraulic tools
- ▶ Wedges, opening and closing drill pipes
- ▶ Expansion of swellex-type anchors
- ▶ Hydraulic installation on vehicles

ENVIRONMENT AND INFRASTRUCTURE

- ▶ Powering electric tools, welding
- ▶ Backup power, lighting, heating
- ▶ Washing, removing graffiti, water sand blasting
- ▶ Water and abrasive cutting
- ▶ Dust suppression for sweepers and brushes
- ▶ Street washing, sewer, drain and pipeline cleaning
- ▶ Air flushing and cleaning, using pneumatic tools
- ▶ Enhanced piling, compacting, sieving
- ▶ Expansion of swellex-type anchors
- ▶ Cable and pipe installations

DYNASET

PROPERTY MANAGEMENT

- ▶ Powering electric tools
- ▶ Backup power, lighting, heating
- ▶ Electricity in maintenance vehicles
- ▶ Washing, removing graffiti, water sand blasting
- ▶ Washing streets, parking halls and bus stops
- ▶ Sewer, drain and pipeline washing, flood pumping
- ▶ Enhancing the material removal in sweepers, brushes and sand distributors
- ▶ De-icing roads and parking lots

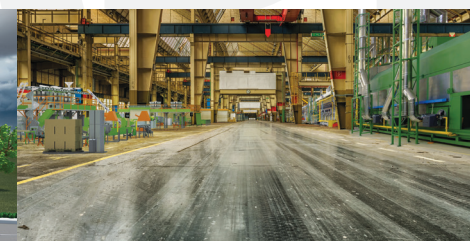

SERVICE AND MAINTENANCE

- ▶ Powering electric tools, welding
- ▶ Backup power, heating, lighting
- ▶ High pressure washing
- ▶ Water cutting, water sand blasting
- ▶ Sewer, drain and pipeline washing
- ▶ Using pneumatic tools, tire filling
- ▶ Air flushing and cleaning of equipment
- ▶ Power boosting for assembly and maintenance tools
- ▶ Hydraulic power take-off for vehicles

RENTAL

- ▶ Powering electric tools for lifts, excavators crushers and loaders
- ▶ Backup power vehicles, maintenance vehicles
- ▶ Washing, water pumping and street washing equipment
- ▶ Dust suppression
- ▶ Using pneumatic tools
- ▶ Hydraulic magnet for demolition, recycling and material handling
- ▶ Vibration on rental excavators
- ▶ Winch units for pipe and cable installations

SPECIAL VEHICLES AND PROCESS INDUSTRY

- ▶ Powering electric tools, backup power
- ▶ Water and abrasive cutting
- ▶ Washing and spraying
- ▶ Hydroforming and pressure testing
- ▶ Air cooling, anti-drying, dust suppression
- ▶ Compressed air for various special requirements
- ▶ Vibrating screens and conveyors to remove sticky materials
- ▶ Power boosting for hydraulic equipment
- ▶ Hydraulic installation on vehicles

OFFSHORE AND SUBSEA

- ▶ Powering boats and ships
- ▶ Washing and underwater washing
- ▶ Pressure testing, water and fluid pumping
- ▶ Using pneumatic tools
- ▶ Cleaning, ATEX-applications, oil spill boom filling
- ▶ Underwater magnet works
- ▶ Power boosting for hydraulic tools
- ▶ Fastening and removing drill tubes
- ▶ Hydraulic power for various power needs

TRANSPORTATION, SHIPPING AND AVIATION

- ▶ Ground power for aircrafts
- ▶ Electricity in ships and vehicles for tools, lighting, heating and cooling equipment
- ▶ Washing, water sand blasting and water pumping
- ▶ Street washing in harbors and airports
- ▶ Dust suppression and moistening bulk materials
- ▶ Using pneumatic tools and start-air in ships
- ▶ De-icing plane wings and runways
- ▶ Hydraulic installations to all vehicles

FIREFIGHTING, RESCUE AND MILITARY

- ▶ Powering electric tools in fire, rescue and maintenance vehicles
- ▶ Backup power and ground power for aircrafts
- ▶ High pressure firefighting
- ▶ Mud removal, runway cleaning
- ▶ Using pneumatic jacks and tools
- ▶ CAFS-foam generation, air filling tents and buoys
- ▶ Underwater magnet works
- ▶ Power boosting for high pressure hydraulic and rescue tools

FORESTRY, AGRICULTURE AND FUR FARMING

- ▶ Powering electric tools, backup power, welding
- ▶ Washing and spraying
- ▶ Sewer, drain and pipeline washing
- ▶ Water and sludge pumping
- ▶ Using pneumatic tools
- ▶ Cleaning and maintenance works
- ▶ Piling, compacting, cutting and earth penetration
- ▶ Pipes and cables installation, conveying
- ▶ Hydraulic installation on vehicles
